

*Please deliver this letter to the owner or president of your organization. Thank you!*

My name is Soren Sorensen and I created the Idaho Preppers, Survivalists, and Homesteaders Network (aka "Idaho Preppers Network") so that like-minded Idahoans can more easily find each other, socialize with each other, teach each other, train each other, form teams, prepare together, and thrive together.

Among other things, the Idaho Preppers Network includes a directory of organizations (both not-for-profit and for-profit) that provide relevant equipment, supplies, services, education, & training; as well as a calendar of related upcoming events. And, of course, there is a community email list and FaceBook group.

**You are invited you to add your organization** (and any relevant upcoming events) to the Idaho Preppers Network. This is a brand new community (2023) and it is my intention to foster *real* community building. To do this, I have created a simple, powerful, free system.

**There is no charge** to list your organization (or your *relevant* events) as long as it is located in Idaho and *is not* primarily online. (exceptions are made for not-for-profit organizations)

**Additionally**, if you are willing to proactively distribute business cards that promote "The Idaho Preppers, Survivalists, and Homesteaders Network"\*, **you will get a TROPHY EMOJI**

There are many obvious *and not-so-obvious* benefits to this approach, including:

- 1) When you promote the community, the community promotes you.
- 2) Preppers, etc. naturally wants to patronize those who support them.
- 3) **This is an ingenious way to circumvent "search engine censorship".**

**\*How it works:** I will provide the business cards and a business card holder (if you need one). Your obligation is simply to make good use of the cards and let me know when you need more. Organizations are encouraged to make the cards available in an extremely high visibility area, preferably in an attractive business card holder. Events are encouraged to include the cards along with whatever other information is distributed to the attendees. *I understand that, in some cases, you might not be able to do this. If this is the case for you and you still want a trophy emoji, please contact me and we can discuss other ways that you can help support the Idaho Preppers Network. We have many needs.*
